Ambassador Xolisa Mabhongo presents copy of credentials to Slovenian Foreign Affairs Director General Dr Andraz Zidar: 16 June 2010

Ambassador Mabhongo, on 16 June 2010, presented a copy of credentials to the Director General of the Directorate for International Law and Protection of Citizens Dr Andraž Zidar, Ministry of Foreign Affairs of the Republic of Slovenia.

The interlocutors agreed that relations between the countries are positive and advocated their further strengthening. They expressed interest in developing political and economic relations and cooperation at both bilateral and multilateral level. The two interlocutors acknowledged that South Africa and Slovenia enjoyed good working relations at the multilateral forums and discussed that since Slovenia is the a respected member of the EU, this provides an opportunity for the two countries to work together on issues such as the Economic Partnership Agreements and their implications on regional integration in the SADC region.
