2. Renewal of Driving Licence Card for applicants who reside outside the borders of the Republic of South Africa:

Applicants planning to visit the Country are permitted to renew their licences, however, should they not be in the Country at the time of delivery, are entitled to nominate a relative or other person to collect the licence on their behalf. Such applicants must follow the procedure as referred to in Section 1 and ensure that:

- The Driving Licence Testing Centre (DLTC) is to be notified by the applicant when he/she goes to renew the card, that a person whom they have nominated will collect the licence in accordance of section 1.3 above.
