

STATE PROTOCOL CIRCULAR NO 5 OF 2022

The Department of International Relations and Cooperation of the Republic of South Africa presents its compliments to Diplomatic Missions and International Organisations accredited to the Republic of South Africa and has the honour to refer to **Census 2022**.

The Department wishes to inform Foreign Missions that due to the immunity status of accredited diplomats and their dependents, they should not complete the Census Form. This is the same practice that has applied in previous Censuses.

Stats SA has requested that South African citizens employed by Foreign Missions and resident at their own homes, should be encouraged to participate in the Census. There are three channels available for enumeration. Households can complete the questionnaire online at <https://getcounted.statssa.gov.za/#!/home>, over the telephone, or directly with a fieldworker who will visit their home. Registration closes on 5 February 2022.

The Department of International Relations and Cooperation of the Republic of South Africa avails itself of the opportunity to renew to Diplomatic Missions and International Organisations accredited to the Republic of South Africa the assurances of its highest consideration.
